Women of Achievement

"Unsung Heroes"

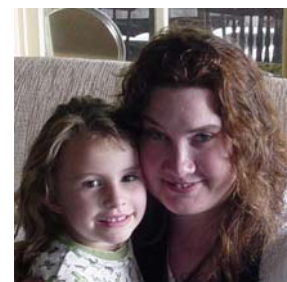

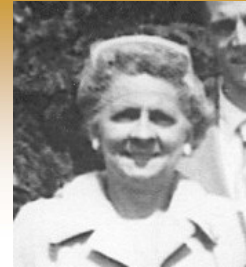

Patricia Dworske

Stories focusing on the achievements of everyday women like you and me, women who laid the foundation for the world we live in today.

Often the achievements of these women go unnoticed.

They are the unsung heroes, these women who have stepped up to the challenge to share their experiences, strengths, and hopes to build a better world for their daughters and granddaughters.

Brown Bag Luncheon

Wednesday, November 8, 2006 from 11:30 – 12:30

Williamsburg Room – Bldg. E2
